FOR IMMEDIATE RELEASE

Canadian Hot Tubs Inc is pleased to announce that the company has been chosen as the preferred hot tub partner of Milla Homes.

One of Waterloo Region's leading builders of upscale homes and communities, Milla Homes is presently beginning a new project in Creekside Estates, Waterloo, ON.

"It just seems like a natural fit" says Mark Van Dongen of Milla. "Both companies are Waterloo Region institutions that have built solid reputations over decades."

Bryan Beer of Canadian Hot Tubs agrees. "Our two customer bases are very similar. We look forward to serving Milla's new home owners for years to come. It is truly an honour for us to showcase our products in such beautiful and modern homes."
